

ADDRESS: [10040 N. 43rd Ave., Glendale, AZ](#)

DIRECTORS: Bill Nolan 602-751-8818, Rick Weirman 480-216-0711

This tournament will be a SINGLE EVENT, Draw-Your-Partner Roto Doubles, featuring regular entry fees (only \$5-\$12) and 100% payback plus **\$500 added** by *Stinger's Sports Bar* and *AZ Foosball*. Due to the large cash bonus added by the sponsor, the primary objective of this event is to provide the largest turnout possible for the host venue, while running the event efficiently as possible, in order to make such a donation economically viable.

### **HIGHLIGHTS:**

- **3:00 official start time** (this is MANDATORY; please show up early!)
- **Regular low entry fees!** (\$12 pros, \$8 Am/Ex, \$5 Beg)
- Tables will be opened at noon for FREE PLAY until event begins. (\$5 table fee for event.)
- Winners paid to 5th place, *regardless of turnout*.
- Stinger's point cards will be granted to beginner level players (<2.0 league rating). This provides only a slight handicap for entry level players, and the event is not officially classified as a handicapped event (*Phoenix Tour* bonus points WILL be applicable).
- Some or all of loser's side of bracket may be played in abbreviated format depending upon turnout and time considerations (game-to-10 or "7-11" formats likely)
- Match times will be **strictly enforced** (all players must be at table and ready to play within 5 minutes of match being called or forfeits will be levied).
- 3 tables (T-3000 specs) on site.

[Pre-register now and see who else is playing!](#)

### **IMPORTANT!**

We ask that all players be aware of the main purpose of this event (see opening paragraph) and do their best to help in its success. Please bear in mind that while there may certainly be ways to play through any particular event as rapidly as possible, the *Big Sting* is attempting to strike a happy balance between an event that is fun and popular with a generous payout, and one that also rewards the sponsor with a healthy herd of customers for the evening! Be forewarned that your team may have to wait a match or two between your matches; if this is not acceptable to you, we ask that you sit out the event!

To make things easier, there will be a large tournament chart on the wall so players can easily see their place in the tournament. Please try to keep the following points in mind:

- You should NOT ask "if your team can play next". Matches will be called in the order that best facilitates the event as a whole - not any one particular team.
- You MAY ask "can you give us an estimate of when our next match will be called?"
- If you are informed that your team is going to be playing on one of the next open tables, please try to locate your partner and your opponents and get them ready to play.
